Careful what you say Mikey, 1 fish was the difference that Kenny beat you with for Angler of the Year in '08.

No problem you can beat me anytime as you are very intense and bent on success! Maybe you should aim higher as I kicked your ass the last 2 years now the law of averages is catching up with me but I can handle it, after all I have been 6 times Angler Of The Year and 7 times Classic Winner all without back boating the shit out of the non boater as you do! Chris is missing the next 2 tournaments so don't slip up cause that is your only chance for success! Oh and how did you get Ann to fuck up the sale of Chris' house? Sooner or later you're gonna have to find a place to keep your boat and actually pay for it! Bitch! :laugh: :laugh: :huh: :dry:
