Got to say i had a good time today caught fish the way I wanted to and wasn't worried about weight. I fished the 3 north coves and caught my fish on pop-r and chatterbait. Fun!!!

Thanks everyone. You guys are my family.

And thanks Mikey B for all the photos.

Conrads to the Kanza family on the win. Nice job.

It was a fantastic time !! although 5 hours would have been better.....6 seemed a little long for the kid.

we had a great time, we caught bass, rock bass, pickeral and even a huge catfish !!

my daughter was soo excited she won a trophy, she's been showing it off to everyone on my block.

you guys are great, and it's always nice to spend the day with all of you !

Congrats also to the Kanza family on the win !!.....Well deserved !!

It was a "PERFECT" day!

It started very bad (for me) with only 1 keeper in the first limit with Roseann having the other 4 keepers in the livewell! Thankfully I was able to cull a few Bass to help my team, Roseann also had our big Bass which was 6.5 ozs. behind the winning Bass! We had a very good time and caught lots of Bass, Pickeral, Rock Bass and Roseann even caught a Crappie!

The 6 hour tx was put in at my suggestion to the tx committee because Joe Innella was always late and Dennis Packes was always saying "If I had one more hour". If everyone thinks it should go back to 5 hours that's fine but it seems to go very quickly to me, and we do travel quite a way to get to fish and we pay enough to launch.

I was actually relieved when I found out what "PERFECT" was all about! With Chris being the one who was "behind" the plot you never know what is going to happen! :laugh: :laugh: :laugh:

HEY....you never know! I liked the six hours, I would have no problem extending it. Had a great time motivating my partner (no naps until we got five in the boat!) and I got alot of satisfaction mowing down some geese on the lake! Some heard the screams from my partner as one of the little fuckers fell prey to my prop....Priceless!
