## V.P. Mike Wiltshire is M.I.A.

I called my V.P. twice yesterday to let him know that he needs to pick up from me the scale, table, weigh in sheets and other weigh in equipment for Swinging Bridge, he has not returned my calls.

Just so everyone knows you cannot have a tournament without weigh in equipment! So unless all of you that are going to Swinging Bridge are going there just to fun fish 2+ hours away, I suggest everyone flood his phone with calls and if anyone gets in touch with him tell him to get his head out of his ass and take a little responsibility and call me back! He was on this site yesterday so at some point he must have had some time!

Remember without the official weigh in equipment you will all be fun fishing and it won't count!

:woohoo: :huh: :huh: :woohoo: :dry:
