You guys have any shirts or visors with the Outcast Logo for purchase? Or a place that already has the logo on file where we can order.....

Paulie do I have a deal for you....

To answer your question. Yes, we have t-shirts and hats for sale. T's are \$9.00 w/o a pocket and \$10.00 with a pocket, Embroidered Hats are \$12.50. However if you are financially challenged, or a Cousin of Leigh, we have a raffle at the end of every meeting for either a hat or shirt. The raffle is a buck. I am also sending in an order of jackets to be embroidered. This is a little more costly because of the multi colored threads. Cost anywhere from \$60.00-\$75.00 for the embroidery. You can supply your own jacket or purchase one from Andy who does our embroidery. If you want a jacket done call me 347 386-9412 cell. As soon as I get Adonis jacket I am bringing them to be done. If you win A.O.Y. the club purchases the jacket for you and does all the embroidery including Angler of the Year and the years that you won. Below you will find an unofficial link to a site that you can purchase club hoodies and other items from.

I don't hate you or Jews, but we don't have anyone to pick on since Marty moved. Maybe you can lend me one of your yamacuhs (I'm sure I spelled it wrong) so I don't burn my head this Summer.

Yup....you spelled it wrong. I think it should be Yarmulka but I'm not sure. Marty would know fer sure.

For a home made yarmulka take an old baseball cap & simply cut off the visor and you have an instant Jew beanie.

Wow...what a business idea....Yarmulkas with a Bass Pro Shops logo :laugh:
