Nice job boys! Good wins especially since the lakes weren't very cooperative. You definitely had to earn your fish. Two guys doing it from the back of the boat! Captains must have put you on them!

Just kidding all the props to Dennis 3 Packes and Jimmy! You guys earned it!

I have to mention a congrats to Mike Krug for his over 13 lb bag on Bantam and to Vito for his 1 oz less than 1st place finish on Highland! 2 good anglers with very nice 2nd place finishes this weekend!
