If anyone is interested one of my employees has to get rid of his Purebread English Bulldog due to the landlord giving him an ultimatum. He does not really want to give up the dog but he has no choice. The dog is 4 1/2 years old, great with kids. The dogs name is "Meaty". Tim (the owner) has two son's who will miss the dog very much. He was hoping that his brother was going to take the dog so that he would be able to take it back into his family if he ever moved. However his brother is in the service and has orders to go overseas.

So if anyone is interested you can call Tim Jacques at 718 644-1838 or 718 644-1839. The dog is supposed to leave tomorrow.
