
Belated THANKS to Nicky

MY bad for not posting this sooner! :blush:

Once again Nicky and his crew did a GREAT job on some repair work to my mom's house in fixing some water damage to the living room ceiling, replacing the rain gutters and painting.

THANK YOU NICKY!

If any of you guys need repair work done to your home...Nick's Da MAN!

Monday...he's refinishing the blacktop on the driveway too! :)
