Vito, when we were at the meeting hooking up together we only picked 4/29 and 5/7. I wrote you in as we were discussing them. We didnt pair up for june 4th. It doesn't matter to me... I like fishing with both you and the Jew. Let's figure this out...sorry for the confusion....we need to get a few boats back!!

Crab ass booked me, then forgot.....I dont wanna put big D out since arrangements were already made. Plus the fact that Pax has been very hurtful as of late....I dont think my SENSITIVE disposition can handle it.

Hello Rob,

I just recently found out about your health issues and hope you are feeling better. I wish you a speedy recovery as well. I will be happy to fish with you if you make the Candlewood tourney. Last minute works for me as long as I have a days notice. Thanks for the offer.
