
Congratulations to Oz on his Candlewood Victory!

Hey Rob it was great to see you out on the water. Way to kick some Bass.

Also congrats to Mike K. (super consistant at Candlewood) for the 2nd place finish and Mikey W. for the 3rd. Last but not least Dennis Bass Bum with the Big Bass of the tournament.

Thanks Adonis for a memorable day on the lake and showing me that you don't need to stay inside of the box to catch bass. Now I know when in doubt...Throw a gaudy spinnerbait and yell "Suck it Baby!"

I might have got this wrong. I just saw Dennis Bass Bums quote on Facebook. Congrats Dennis on a 2nd Place finish. Sorry I did not have the offical weigh in sheet. I thought that I had it right.

Congratulations to Rob Oz for the fine 1st place, to Mike Krug for 2nd place that was right behind Oz and Mike Wiltshire for 3rd.

Not an easy day to find the bigger Bass! :)

Joe I, don't you think u should have started this thread under "outcast bass tournaments" instead of "boater nonboater"?

To answer your questions,

Kenny, just because I went to college does not make me clairvoyant. I only saw the post on Facebook on Sunday. Did not know that Bass Bum was fishing another tournament. Since then I went back and noticed his earlier posts.

Dennis, I am never short any "French Fries" in my happy meal...Adonis always carries an extra bag.

and Mike, I was reading one of the entries on the Boater Non Boater page and hit new Thread. I did not realize that it went under the same heading.

But at least I post.
