Was there a Family Fun Day Tournament? I know Mid-week when I was away that it was being considered to cancel. If there was a tournament do you have any results?

Joe,

Jake and I won...9 lbs.

Vito and his small army were second with 7+ lbs.

Booze and another couple had 5+ lbs.(ouch)

Lunker around 3 lbs...myself.

Slow pick on the day. Two other txs that day.

Venom jig and zman drop shot for me.

Mike

You had beautiful weather did everyone enjoy themselves? Did Kenny and Roe fish? Mike you said that there were two other tournaments on the lake...how many boats? That is a small body of water for three tourneys.

Sorry we had to miss it I was supposed to go with my daughter Kara and her boyfriend but her Ulcerative Colitis had a flair up. She has been in and out of the hospital for the past 3 weeks.

Joe.....,

Roe and I never got there as we broke down on 684. Luckily Mike was right behind me and took all the things needed from me and went on his way. I managed to slowly drive home the 60 miles and my truck has since then been fixed.

Needless to say I was not happy we missed it! :(

Sorry to hear of your break down. Main thing is that you and Roe are okay. I guess it was better to have the break down on that day and not a regular season tournament.
