
outcast for life!

Posted by MikeW - 2011/07/29 07:05

This is why I am proud to be an Outcast for lifefirst the Dustys step up and let me use the Triton. Then my boy Booze offers up the Ranger (which treated me well ;)). And now this morning at 4:30 BigD took a ride to Ronkonkama so I could dump the Skeeter in and mount my new winch/ roller bracket. Membership does have its privelages! OUTCAST FOR LIFE! LOVE MY BROTHERS!
